**NEWSLETTER # 20**

**THURSDAY 3RD SEPTEMBER 2020**

*Ko te Tamaiti te Pūtake o te Kaupapa  
The Child - the Heart of the Matter*

Kia Ora Koutou,

Thank you for continuing to sign in. We are continuing to abide by the level 2 guidelines for schools set out by the Ministry of Education and the Ministry of Health. You may have noticed that the gate is now closed during the day. This is not to keep you out but rather to keep the children in. We have a number of junior students so we are closing the gate so vehicles do not come down the drive during the school day. This is to keep everyone safe in the school grounds.

Looking ahead:

Wig Wednesday next week so the kids can wear a wig or have wacky hair, and bring a donation for the Child Cancer Foundation. Sarah Davies is also coming to share her personal story with the children that day too.

Shae, the sports activator will be joining us again for three sessions this term. Next Friday is our first session so please make sure that all students have appropriate footwear please.

Playgroup will be visiting the Junior Room on Wednesday 16th September from 10am till 11am. Our students will be reading with the playgroup kids and playing games.

On Friday the 18th of September we are going to Te Tipua to watch their production of PINECONE. Mrs Ansley has invited us to see the show that we put on last year.

Nga mihi nui,  
Jacqui Dillon

We would like to welcome Reipan Tohiariki to the Senior Room. We hope you and your parents have a long and happy association with Waikoikoi School.

**LUCKY BOOK CLUB** - A reminder to please have any orders in to school by tomorrow to make sure we get them out to you before the end of term.

**STATIONERY/UNIFORM ACCOUNTS** - These will be sent home next week with the newsletter on Thursday, for those who have accounts over \$5. We would appreciate payment in full by Wednesday 23rd September please.

**COLGATE COMMUNITY GARDEN CHALLENGE** - Remember it's really easy, just send in your Colgate Oral waste to us at school, and we will send it away to be counted and put against our school name. For every single piece of oral care waste we send in we get 10 points. You can also go online and vote for our school and we get another 1 point for every online vote and you can vote as many times as you like, but just one vote per day!! You can also check our progress online too. Let's get in behind this and see if we can get our garden started!

## 'WHAT IS YOUR FAVOURITE TREAT?'

Reese's is my favourite treat. It has peanut butter inside and chocolate on the outside. It is round like a muffin and it is small like a biscuit and a brown wrapper like a muffin. It tastes mainly like chocolate with a hint of peanut butter. I have got them at the Warehouse before but they only come in two.

I like sour patch kids. They are soft. I get them from the American Store at the dairy. I like them because they are covered in sugar. I get them every day at 7:00am and usually buy 1kg of them. They are sugary and soft and they taste like fruit and they smell like Caffiene. They look like kids, they come in paper bags. They come in fruit flavours.

My favourite chewy lollie is TNT's. They are spicy and are chewy on the outer layer and have a really spicy cream on the inside. They are small and one inch long and one centimetre tall. I can only get to go to the dairy at Mum's hockey when I get hungry. They come in the colours orange, green and blue.

When I eat my black forest, I go to eat my black forest I go to my swings.

It has bits of fruit in it like cherries. It is soft and crunchy to eat. It tastes like lollies.
