

**Waikoikoi School - Little School Big Spirit!**

**NEWSLETTER # 18**

**THURSDAY 20TH AUGUST 2020**

Kia Ora Koutou,

We started the week with a visit to the Life Education mobile classroom. The students had a fabulous time learning about their feelings with Pip and Harold. Thank you to Vanessa, Mel and Justine for the transport of the children. It is much appreciated. Check out the photos later in the newsletter.

Today the students presented their Oral Language. They have all been working very hard on this and giving feedback to their peers. Well done to everyone that presented today. It can be daunting standing up in front of everyone and you all did a fabulous job.

Please remember that we have guidelines that we need to follow at alert level 2. If you are entering school grounds for any reason please come straight to the office. You need to sign in both with the QR code on the door and the iPad for the school records. Where possible please ring or text the school for information or to give a message. This is a practice that we will continue going forward in the meantime.

**Looking ahead:**

Winter Tournament for year 3-6 students is next Thursday the 27th. Mrs Taylor and Ross McCall will be attending for Waikoikoi School. Please see the note attached for these students.

The Waikoikoi School and Districts Jubilee is happening on the 7th and 8th of November. Please note this date down. The current students have a very important role to play in this event and especially on the final day of celebrations where they will unveil something special they have been working on. Check out our school facebook page to register for the weekend.

**ASSEMBLY CERTIFICATES** - The following people received certificates at today's assembly. Kees for Amazing reading for Oral Language, Flynn for Competition with yourself and working hard on your spelling, Jaxon R for being a Fabulous reader and staying on task and Holly W for being amazing at school and not giving up learning when it get's tough.

**SCHOOL PHOTO ORDERS** - If you haven't returned your school photo order yet, can you please do so by tomorrow. Otherwise you will need to talk to Geoff Horrell directly to get your order processed.

**COLGATE COMMUNITY GARDEN CHALLENGE** - Remember it's really easy, just send in your Colgate Oral waste to us at school, and we will send it away to be counted and put against our school name. For every single piece of oral care waste we send in we get 10 points. Then you can go online and vote for our school and we get another 1 point for every online vote! You can also check our progress online too. Let's get in behind this and see if we can get our garden started! See that attached flyer showing which oral waste is acceptable to send in.
